October 3, 2008

XV INTERNATIONAL FAIR OF INVENTIONS AND INNOVATION (DECEMBER 2 – 5, 2008)

At the International Fair of Inventions and Innovation will be presented research, development and innovations results of domestic and foreign exhibitors. Goal is to introduce products from the competition Innovation of the Year 2008 Award, results of research and developmental activities, foreign participants in projects of KON-TAKT Programme, science and technology parks in CR, successful participants of projects in EUREKA Programme, results of firms participating in domestic research and development programmes, domestic and foreign partners of AIE CR.

Exhibitors can use **INNOVATION 2008 Information Centre** services to present their own audiovisual programmes (video, www, hypertext etc.) for invited guests in advance arranged time.

Exhibitors need not to be present throughout Symposium personally. INNOVATION 2008 Information Centre can also arrange information and materials supply and contact them with parties of their own interest.
